

Training course for youth workers

‘Social mentoring as innovative training pathway to lifestyle self-employment’

Module I.

Social mentoring on lifestyle self-employment (LSE) as a new non-formal learning pathway

Exercise 2

The title of the exercise: Mentoring goals

The aim of the exercise: to describe and purify goals and objectives of Mentee, Mentor and Manager (if applicable) in Mentoring process

The tasks of the exercise:

Discussion, filling up toolkit, presentation

Step 1. Present to the group (or mentee) the importance of goals and objectives in Mentoring.

Step 2. Mentor presents “Goals and objectives of the group for a Mentoring on LSE” (please find it in Annex No. 2) or “Personal goals and objectives of a Mentee for a Mentoring on LSE” toolkit (depends on personal or group mentoring). Mentor analyse most important and complicated parts of toolkit (please find it in Annex No. 1).

Step 3. Mentee(s) fill(s) up toolkit. Mentor supports and discuss question to audience questions while filling up the toolkit.

The learning outcomes:

- Mentoring process member will know each other goals and expectations
- Mentor will dispose clear information about Mentees
- Mentor/Manager will use filled toolkits for successful Mentoring process
- Mentee will have the clear goals and objectives for mentoring process

The total duration:

20 minutes
